

Add Outcome Statement

Title *

Report Year *

Location *

Please select the county in which your office is located. If you are located on a campus, select the county in which the campus is located.

Educational Program *

Please indicate the most discrete program with which this work aligns. For example, if you worked with beef farmers specifically, please choose beef. But, if you worked with farmers generally, please choose Agriculture.

Abstract Sentence *

This is one sentence which serves as an abstract for your outcome statement and it follows a formal format: **An** "activity or event (1)" **for** "audience (2) " , **where** "what you did (3)" **to** "insert outcome/difference you make (4)" . [More Information and examples here.](#)

Outcome Statement *

Please limit your response to 250 words. It may be helpful to compose your outcome statement in Microsoft Word first, and use the word count tool there.
